EXPERIENCE

Hizztech   **Jul 2024 - Aug 2024**
Web Developer   **Remote**

- As a Web Developer on a 2-month contract with HizzTech, I contributed to the successful development and deployment of dynamic and responsive web applications.
- Leveraging my expertise in front-end and back-end technologies, I collaborated closely with the team to deliver high-quality solutions that met project requirements and client expectations within tight deadlines.
- My role involved optimizing website performance, ensuring cross-browser compatibility, and implementing best practices in web development to enhance user experience.

EHIC Training   **Sept 2023 - Jul 2024**
Software Engineering Instructor   **On-site**

- Passionate and experienced Software Engineering Instructor with a strong background in developing and delivering comprehensive curriculum to diverse student populations.
- Adept at simplifying complex concepts and fostering an engaging, hands-on learning environment. Proficient in a variety of programming languages, software development methodologies, and modern teaching tools.
- Dedicated to empowering students with the skills and knowledge needed to succeed in the tech industry.
